WHAT DOES YOUR TUITION COVER? :

Your tuition dollars cover many areas within the school. The biggest expense is faculty and staff salaries and compensation. The next area would be curriculum and classroom supplies. Tuition only covers a portion of what it costs to educate each child. The difference in cost to educate is supplemented by the St. John’s Congregation. New this year included in tuition for K5-8th grade is a fee for field trips and consumables of \$100. The exception being 7th Grade with a fee of \$245 due to Outdoor Ed. Also included in Tuition for 5-th –8th graders is the cost of Chromebooks (including maintenance and warranty).

Chromebooks:

All 5th—8th Grade Students will be issued a Chromebook for academic use in the classroom as well as for use on their homework. This will be a great tool for our middle schoolers as they learn and prepare for High School. They will bring their Chromebook to school each day. Once students graduate 8th Grade, they can buyout the remaining cost of their Chromebook and it is theirs to keep. The more years a student uses it the smaller the buyout. The buyout is **OPTIONAL**.

- 8th Grade - \$405

A Parent /Student Chromebook agreement will be need to be signed at the time of enrollment to ensure proper use and responsibility is understood. Further details regarding the Chromebook will be explained and included in your Parent Handbook.
